Many of our chosen suppliers produce their brew in small batches based on when their ingredients like fruit, wheat, barley, oats and hops are in season and fresh.

**As a result our stock will constantly change and evolve and is therefore not listed on the menu. Please refer to our chalkboards or speak to your server who has in-depth knowledge of all our beverages and will be only too glad to assist you.**

Drink as much as you can (responsibly of course) as when it's gone it's gone!
